Description

2001 Mustang 3400 Widebody Sports Cruiser Repowered in 2021 | Twin MerCruiser 6.2L V8 Engines | Only 207 Hours | Upgraded Electronics & Entertainment | Recently Serviced & Antifouled

Luxury Boat Sales QLD is proud to present this impressive 2001 Mustang 3400 Widebody Sports Cruiser, a quality Australian-built vessel combining spacious accommodation, excellent entertaining capabilities and the significant advantage of modern, low-hour MerCruiser V8 engine packages.

Renowned for its generous beam, expansive cockpit and practical accommodation layout, the Mustang 3400 Widebody has remained a popular choice among Australian boating enthusiasts. Offering the space and comfort typically associated with larger sports cruisers, this well-designed vessel is equally suited to entertaining on the Broadwater, weekend getaways or extended coastal cruising.

The standout feature of this particular Mustang is its complete repower in 2021 with twin new-generation MerCruiser 6.2L V8 petrol engine packages, showing just 207 hours since installation. This substantial mechanical investment represents a significant advantage over comparable vessels retaining their original engines, delivering modern V8 performance and the reassurance of considerably newer machinery.

Recently serviced and antifouled, the vessel has also benefited from a number of desirable upgrades, including a new Simrad GPS chartplotter, an upgraded Fusion Apollo marine stereo system with Kicker speakers, a flat-screen television and refreshed interior upholstery.

The spacious cockpit has been designed with entertaining in mind, offering generous seating, a practical social layout and convenient access to the rear swim platform. The covers and clears remain in good condition, providing excellent protection from the elements while allowing the entertaining area to be enjoyed throughout the year.

Below deck, the Widebody design truly comes into its own, offering an impressive amount of interior space for a vessel of this size. The accommodation features two permanent double berths, including a forward double and separate aft double, comfortably accommodating four adults without the need to convert the main saloon. A generous lounge area, well-equipped galley and enclosed bathroom complete the practical overnight layout.

Combining modern engine packages, low running hours, upgraded onboard equipment and the proven versatility of the Mustang Widebody design, this vessel presents an excellent opportunity for buyers seeking a spacious and capable Australian-built sports cruiser.Features & Highlights

Excellent Layout for Entertaining, Overnight Stays & Extended Cruising
Recent Maintenance & Upgrades

This Mustang has benefited from significant mechanical investment and a range of practical upgrades, enhancing its performance, onboard comfort and overall appeal.

•

2021 – Complete Engine Repower: Twin new-generation MerCruiser 6.2L V8 petrol engine packages installed, replacing the original engines.

•

207 Engine Hours: Exceptionally low running hours recorded since the 2021 repower.

•

Recent Mechanical Maintenance: Engines serviced and hull antifouled.

•

Navigation Electronics: New Simrad GPS chartplotter installed.

•

Marine Entertainment: Upgraded Fusion Apollo stereo system with premium Kicker marine speakers.

•

Interior Refurbishment: Replacement cabin upholstery completed in previous years.

•

Additional Comfort: Flat-screen television and cockpit covers and clears maintained in good condition.
Spacious Widebody Design & Accommodation

One of the Mustang 3400 Widebody's greatest strengths is its intelligent use of space, offering a level of comfort and practicality that continues to make these Australian-built cruisers highly desirable.

The generous cockpit provides an excellent setting for entertaining family and friends, while the wide-beam hull design creates impressive interior volume below deck.

Unlike many sports cruisers of a similar size that rely on convertible dinettes for additional sleeping accommodation, this Mustang features two dedicated double berths, allowing four adults to stay aboard comfortably while retaining the main saloon as a separate living and dining area.

The practical galley, enclosed bathroom and generous onboard storage further enhance its suitability for extended weekends away, making it an ideal choice for couples and families seeking a comfortable and versatile cruiser.A Quality Australian-Built Cruiser – Modern Engines & Low Hours

A Mustang 3400 Widebody equipped with modern, low-hour MerCruiser V8 engine packages offers a compelling alternative to comparable vessels still operating with their original machinery.

With twin 2021 MerCruiser 6.2L V8 engines showing just 207 hours, recent servicing and antifouling, upgraded Simrad navigation electronics and a premium Fusion Apollo entertainment system, this vessel combines substantial

mechanical improvements with the comfort and practicality of a proven Australian-built design.

The spacious cockpit, generous Widebody layout and two permanent double berths make this Mustang perfectly suited to relaxed days on the Broadwater, weekends at South Stradbroke Island or extended adventures throughout Moreton Bay.

Well equipped, extensively upgraded and offering exceptional accommodation for its size, this 2001 Mustang 3400 Widebody represents an excellent opportunity to secure a capable and comfortable sports cruiser ready for its next chapter.
