Description

Sea Ray 44 Sedan Bridge

Luxury Boat Sales QLD is proud to present this exceptional 2006 Sea Ray 44 Sedan Bridge, a premium flybridge cruiser offering outstanding space, performance and onboard comfort.

The Sea Ray 44 Sedan Bridge is widely regarded as one of the standout models in its class, combining a spacious and practical layout with a large flybridge and expansive cockpit. With a beam of 4.34 metres and an overall length of 13.8 metres, it delivers impressive internal volume, excellent stability and a commanding presence on the water.

Built by Sea Ray, one of the world’s leading production yacht manufacturers, the 44 Sedan Bridge is known for its high quality finish, thoughtful design and proven long term reliability. The modified V hull provides a soft, stable ride offshore while maintaining excellent efficiency and handling, making it equally suited to coastal cruising or extended stays onboard.

Designed for both entertaining and extended cruising, the 44 Sedan Bridge offers a true multi zone layout with a light filled saloon, large flybridge and seamless flow between indoor and outdoor living spaces.

Powered by twin Cummins diesel engines on direct shaft drive with only 850 hours, this vessel offers proven reliability, efficiency and strong performance.Key Features

A buyer should instruct his agents and/or surveyors to investigate such details buyer desires validated. This vessel is offered subject to prior sale, price change or withdrawal without notice.

• Fuel capacity 1325 litres

• Water capacity 450 litres

• Holding tank 160 litres

• Displacement 12,900 kilogramsValue and Opportunity

This vessel is priced to sell and represents an excellent opportunity to secure a highly regarded Sea Ray 44 Sedan Bridge at an attractive entry point.

While already well equipped and presenting well overall, there is clear scope for a new owner to personalise and enhance select areas such as navigation electronics and soft furnishings to bring the vessel back to its full calibre.

A watermaker system is fitted onboard and will require servicing prior to use.

Structurally and mechanically the vessel presents well, providing a strong foundation for further improvement.
Overview

A highly regarded flybridge cruiser offering exceptional space, strong performance and a layout perfectly suited to both entertaining and extended cruising.

With low hour Cummins shaft drive engines and a proven hull design, this Sea Ray 44 Sedan Bridge represents a standout opportunity in the 40 to 45 foot market.
