Description

1998 Mustang 3400 Widebody Sports Cruiser Twin 260HP MerCruisers | $47,000+ in Major Mechanical Works | New SeaDek | Tender Included | Turnkey Ready

Luxury Boat Sales QLD is proud to present this exceptionally clean and extensively upgraded 1998 Mustang 3400 Widebody Sports Cruiser, a quality Australian-built vessel offering an outstanding combination of performance, comfort and practicality.

The Mustang 3400 Widebody is renowned for its generous beam, spacious entertaining areas and comfortable overnight accommodation. This particular example presents beautifully throughout and represents a genuine turnkey, ready-to-go sports cruiser, with substantial investment already undertaken in its mechanical components, equipment and overall presentation.

Powered by twin MerCruiser 260HP petrol engines, delivering a combined 520HP, this vessel has benefited from extensive mechanical improvements, including over $47,000 spent in 2024 alone. Major works included a complete rebuild of the port engine, extensive mechanical upgrades to the starboard engine, replacement transom shields and substantial transom repairs.

The spacious cockpit is perfectly suited to entertaining, featuring new SeaDek flooring throughout the rear deck and extended swim platform, with matching SeaDek detailing across the dashboard. A hard-bottom inflatable tender powered by a 2.5HP Mercury outboard is also included, making trips ashore effortless.

Below deck, the beautifully presented interior offers comfortable accommodation for four, a generous saloon, practical galley and enclosed bathroom. The original generator has also been removed and replaced with a Victron inverter system, providing convenient onboard power without the need to operate a separate generator.

With comprehensive maintenance records, tasteful upgrades and a high standard of presentation, this Mustang is an excellent opportunity for anyone looking for a quality locally built cruiser ready to enjoy the Broadwater, South Stradbroke Island or extended trips to Moreton Bay and Tangalooma.Features & Highlights
