Description

2023 IRON Boats 707 Centre Console Swedish Design | Mercury 225HP Four-Stroke | Only 95 Hours | Trailer Included | Exceptional Condition

Luxury Boat Sales QLD is proud to present this 2023 IRON Boats 707 Centre Console, an exceptionally well-presented Swedish-designed sports boat combining striking European styling, impressive offshore performance and outstanding versatility.

Powered by a Mercury 225HP four-stroke outboard with just 95 hours, this vessel presents in near-new condition and comes complete with a trailer, offering an excellent opportunity to secure a premium European centre console package without the expense of purchasing new.

Designed and developed in Sweden, IRON Boats are recognised for their distinctive appearance, innovative hull design and exceptional handling characteristics. The 707 features a performance-oriented deep-V hull, engineered to deliver a smooth, controlled and comfortable ride across a variety of conditions.

A defining feature of the IRON range is its unique integrated fender system, which runs around the exterior of the hull. This innovative design provides additional protection when docking while contributing to the vessel's unmistakable appearance.Performance & Handling

The IRON 707 delivers an impressive combination of sporty performance, responsive handling and practical everyday usability.

The Mercury 225HP four-stroke provides excellent acceleration, effortless cruising and ample power for watersports, coastal adventures and entertaining on the water.

Its deep-V hull, substantial chines and carefully designed running surface provide confident handling, excellent stability and a comfortable ride, making it equally suited to protected waterways and coastal cruising.Helm, Electronics & Equipment

The intelligently designed centre console provides excellent visibility, comfortable ergonomics and easy access around the entire vessel.

This particular example is equipped with a range of desirable features, including:

- Mercury 225HP four-stroke outboard – only 95 hours
- Simrad multifunction GPS/chartplotter display
- Mercury digital engine instrumentation
- SeaStar hydraulic steering
- Premium T-top providing shade and protection
- Tinted wraparound windscreen
- VHF marine radio
- Marine stereo entertainment system
- Integrated perimeter fender protection
- Premium EVA foam decking throughout
- Spacious centre console layout with excellent walkaround access
- Stainless steel fittings and quality European finishes

Spacious & Versatile Layout

Despite its sporty profile, the IRON 707 offers an exceptionally practical layout designed to maximise usable deck space and passenger comfort.

With seating for up to seven people, the vessel provides an excellent combination of social seating, open deck space and easy movement throughout.

The forward seating area offers a comfortable place to relax while underway or at anchor, while the aft lounge provides additional seating for family and guests.

Twin aft swim platforms offer convenient access to the water, making the 707 ideal for swimming, watersports and enjoying long summer days on the Gold Coast.

The premium EVA decking adds both comfort and practicality, providing a modern finish with excellent grip underfoot.Factory Specifications

An Exceptional European Sports Boat

The IRON 707 is an outstanding choice for buyers seeking something distinctive from the traditional centre console market.

Combining premium Scandinavian design, impressive performance and a highly functional layout, this vessel is equally at home cruising the Broadwater, exploring the coastline or enjoying a day at anchor with family and friends.

With just 95 engine hours, presenting in near-new condition and offered complete with a trailer, this 2023 IRON 707 represents an excellent opportunity to secure a premium, late-model sports boat ready for immediate enjoyment.
