Description

2023 RAND Boats Leisure 28 – High-Spec Scandinavian Day Boat

Skip the new-build waitlist with this meticulously configured, highly optioned 2023 RAND Leisure 28. Combining the best of minimalist Danish architectural design with a premium social layout and effortless performance, this 8.44-metre luxury vessel is the ultimate platform for high-end day entertaining and comfortable weekend overnights.

Showing a low 130 hours of use, the boat presents beautifully in a timeless Pebble White gel coat, accented by synthetic teak timber decks stretching from bow to stern, and fitted out with custom tan diamond-pattern marine upholstery. Equipped with a high-performance 350HP V8 engine and a premium bow thruster, it offers an incredibly stable, responsive, and luxurious experience on the water.

The hull is freshly anti-fouled and ready for immediate delivery.

Vessel Layout & Entertaining Amenities

• Topside Social Hub: Ergonomic helm bench effortlessly flips around to integrate seamlessly into a spacious, wrap-around U-shaped cockpit dinette.
• Convertible Stern Sun Pad: Oversized triple rear sunbed utilizing heavy-duty marine hinges to instantly shift between forward-facing dining or rear-facing lounging over the water.
• Premium Refreshment Station: Outdoor mid-ship wet bar entertainment console featuring a running fresh-water sink and a solid teak food prep surface.
• Dual Electric Refrigeration: Upgraded with two premium, front-opening 12V DC door refrigerators built right into the cockpit layout for continuous cooling on the hook.
• Insulated Passive Icebox: A massive secondary cooling zone/ice chest hidden beneath the stern lounge upholstery, utilizing an effortless gravity-drain system.
• All-Weather Covers: High-end Sunsail canvas shade kit paired with a tailored, full-length protective storage cover.

Cabin Accommodation & Interior Comfort
• Convertible Overnight Berths: Minimalist lower saloon configured with a modular V-berth that quickly transforms into a generous queen-size bed sleeping 2 adults.
• Bright Interior Saloon: Clean, Nordic-inspired cabin lines illuminated by long, horizontal panoramic glass hull windows that pull in immense natural light.
• Enclosed Private Head: A fully isolated bathroom compartment down below, fitted with a premium electric flushing marine toilet and holding tank.

Disclaimer

• Stern Rinse Station: Convenient, retractable freshwater pull-out transom shower located at the swim platform.

Mechanical, Maneuvering & Helm Tech
• V8 Powerplant: MerCruiser 6.2L V8 350HP inboard petrol engine showing approximately 130 run hours.
• Premium Drive Setup: Heavy-duty Bravo 3 twin-propeller sterndrive leg for exceptional bite and low-speed tracking.
• Advanced Corrosion Defense: Factory-installed Mercury SeaCore marine saltwater protection system.
• Integrated bow thruster and adjustable interceptor trim plates for millimeter-precise docking and a perfectly level ride.
• Glass Cockpit Navigation: Twin 7-inch touchscreen displays managing interactive helm controls, digital engine analytics, digital switching and a dedicated depth sounder.
• High-end integrated Bang & Olufsen marine audio package.
• Helm Styling: Low-glare carbon-fibre dash fascia accented by a premium sports steering wheel and ambient lighting package.
• Upgraded Electricals: Expanded house and start battery system supported by a heavy-duty smart battery charger.

Ground Tackle, Hardware & Safety
• Self-bailing cockpit floor and anchor locker, automatic electric bilge pumps with manual backups, and an integrated fire extinguisher.Safety Equipment:
• Oversized under-floor watersports locker plus three separate interior storage cabinets with integrated custom shelving.
• Heavy-duty 52mm wraparound rubber rub rail finished with a mirror-polished stainless steel end cap at the transom.
• Telescopic Swim Platform: Extra-deep, flush boarding deck at the waterline equipped with a hidden telescoping swim ladder.
• Mooring Connections: Four pop-up flush-mount stainless steel cleats plus two fixed internal locker cleats with fairleads to anchor or tie lines entirely beneath the deck line.
• Concealed Anchoring: Premium hidden electric windlass system operating a polished stainless steel anchor through a custom through-hull bow roller, keeping the foredeck entirely clutter-free.
