Description

Tigé 23ZX – Premium Wake & Surf Boat Only 98 Hours! | Indmar Raptor 450 V8 | Saltwater Elite Package | TAPS 3T Surf System | Stern Thruster | Extensive Premium Upgrades

Luxury Boat Sales QLD is proud to present this exceptionally well-appointed Tigé 23ZX, a premium wake and surf boat offering an outstanding combination of performance, innovative watersports technology and luxurious onboard comfort.

Powered by the impressive Indmar Raptor 450 V8 engine, with just 98 hours of use, this highly optioned Tigé delivers exceptional performance, responsive handling and the power required to produce outstanding surf waves and wakeboarding wakes.

Equipped with the desirable factory Saltwater Elite Package, TAPS 3T Surf System, upgraded WakeMakers bow ballast, stern thruster and an extensive premium audio and LED lighting package, this vessel offers an impressive level of equipment and refinement.

Renowned for its spacious 23-foot design, advanced surf technology and versatile seating arrangements, the Tigé 23ZX is ideally suited to families and watersports enthusiasts seeking a premium boating experience without compromising on comfort, performance or entertaining capabilities.Performance & Surf Technology

At the heart of this Tigé 23ZX is the powerful Indmar Raptor 450 V8, delivering exceptional low-end torque, smooth acceleration and impressive performance, even when carrying additional passengers and ballast.

The advanced Tigé TAPS 3T Surf System provides precise control over wave characteristics, allowing riders to customise their preferred surf or wakeboarding experience. Complementing this is the intuitive Tigé GO System, offering convenient preset configurations for various watersports activities at the touch of a button.

An upgraded WakeMakers bow ballast system further enhances the vessel's wave-producing capabilities, providing additional displacement and greater flexibility when tailoring the perfect surf wave.

For added convenience, the fitted stern thruster significantly improves close-quarters manoeuvrability, making docking and handling in confined waterways considerably easier.Luxury Interior & Versatile Entertaining

The beautifully appointed interior showcases a sophisticated cream and tan colour scheme, complemented by premium diamond-stitched upholstery and high-quality finishes throughout.

The spacious wraparound bow lounge provides generous seating, while the cleverly designed convertible rear seating allows passengers to face forward when cruising or rearward when watching watersports activities.

The ergonomic helm features the advanced Tigé CLEAR touchscreen command centre, providing convenient access to the vessel's operating systems, ballast controls and watersports settings through an intuitive digital interface.

With its generous seating arrangements, practical layout and premium appointments, the Tigé 23ZX offers exceptional comfort for both action-packed days on the water and relaxed entertaining with family and friends! Extensive Premium Audio & LED Lighting Upgrades

A standout feature of this particular vessel is its extensively upgraded premium sound system, designed to deliver

exceptional audio performance throughout the boat.

Featuring multiple high-performance subwoofers, dedicated amplifiers, upgraded cockpit speakers and four premium tower-mounted speakers, this impressive installation delivers powerful bass, outstanding clarity and excellent sound coverage throughout the cockpit and surrounding watersports areas.

Complementing the audio system is an extensive LED lighting package, including underwater LED lighting and RGB multicolour cockpit lighting, allowing the onboard atmosphere to be customised with a selection of colours and lighting modes.

These premium entertainment upgrades create an impressive environment for cruising, watersports and evening entertaining.Key Features & Upgrades.
