Description

Mustang 3200 Sportscruiser – Well Presented & Extensively Maintained

Presenting this Mustang 3200 Sportscruiser, a well-presented and spacious sports cruiser powered by twin Volvo Penta 4.3L petrol engines with stern drives. The engines and drive systems have benefited from extensive servicing and maintenance, including engine servicing, cooling-system work, raw-water pump and impeller maintenance, stern-drive servicing and repairs, along with replacement filters, belts, spark plugs, coolant and associated components.

The engine room presents clean and tidy with plenty of space around both engines for easy access and maintenance. The engines feature a closed-loop freshwater cooling system with raw-water heat exchangers, while the vessel is equipped with twin fuel tanks with approximately 520L total capacity.

The spacious cockpit features wrap-around upholstered seating, a full canopy and clear enclosure, and a generous entertaining area. At the helm, the vessel is equipped with a Raymarine Dragonfly 7 GPS/chartplotter with integrated fishfinder and depth sounder, Icom VHF marine radio, navigation lights and anchor light.

Entertainment is provided by a Fusion AV755 head unit connected to an amplifier, subwoofer and Fusion speakers throughout. The galley features a bright white wood interior with refrigerator, microwave, electric cooktop, sink with hot and cold water, practical bench space and ample storage.

Accommodation is provided across two cabin areas with up to five berths, along with a separate bathroom featuring an electric toilet and shower. The vessel also features 12V and 240V electrical systems, shore power, onboard battery charging, LED lighting and an electric bilge pump system.

Deck equipment includes an electric anchor winch with bow anchor, chain and rode, stainless steel bow rails, swim platform and boarding ladder.

With its spacious layout, extensive mechanical maintenance, quality electronics and well-equipped entertainment package, this Mustang 3200 Sportscruiser presents as a well-rounded and highly equipped vessel ready for its next owner.
