Luxury Boat Sales QLD is proud to present this impressive 2004 Four Winns 280 Horizon, one of the largest and most impressive bowriders produced by Four Winns at the time. Combining American-built quality, exceptional entertaining space and exhilarating twin V8 performance, this is a fantastic opportunity to secure a substantial luxury bowrider.

This particular example has benefited from significant recent investment, including a brand-new interior completed in 2026, replacement full Bimini top and a recent professional interior and exterior detail. Accompanied by documented mechanical servicing and maintenance history, this Four Winns presents an attractive package for buyers seeking performance, comfort and versatility.

Currently dry stored on the Gold Coast and available for inspection.SPACIOUS COCKPIT & PREMIUM ENTERTAINING

Designed with entertaining in mind, the 280 Horizon offers an exceptionally spacious layout, with generous seating throughout the cockpit and forward bow, comfortably accommodating family and friends.

The expansive cockpit features wraparound lounge seating, a dedicated wet bar complete with sink, refrigerator and Esky storage, along with a Fusion marine sound system to set the atmosphere while enjoying a day on the water.

A standout feature is the large, fully enclosed bathroom with VacuFlush marine toilet, offering a level of convenience and privacy rarely found aboard traditional bowriders.
