Suburb	BENOWA	Engine Make	Volvo Penta

Description

2004 Mustang 2800 Series II Rare Volvo D3 Diesel Repower

Luxury Boat Sales is proud to present this highly upgraded 2004 Mustang 2800 Series II, offering an exceptionally rare combination of diesel power, bow thruster and extensive recent improvements.

The Mustang 2800 Series II has long been regarded as one of the best entry-level sports cruisers on the Australian market. Easy to handle, spacious for its size and offering genuine overnight accommodation, the 2800 is an ideal step into family boating and perfectly suited to weekends exploring the Gold Coast Broadwater, Stradbroke Island and trips across Moreton Bay.

What makes this particular 2800 truly stand apart is its 2018 Volvo Penta D3 230hp diesel repower, now showing just 661 hours. Mustang 2800s are overwhelmingly petrol powered, and this is the first diesel-powered example we have encountered.

The D4 transforms the package, delivering the fuel economy, cruising range and reliability of diesel power while retaining everything that has made the Mustang 2800 such a popular and versatile family cruiser.

Further setting this vessel apart is a bow thruster, a feature found on very few Mustang 2800s and a fantastic addition for anyone stepping into their first larger boat. Combined with trim tabs and sterndrive propulsion, it makes marina manoeuvring and berthing considerably easier.

This vessel has also benefited from extensive upgrades throughout, including new upholstery, new covers and clears, along with numerous other improvements. Most recently, she has undergone a complete interior and exterior detail and polish and presents beautifully.Key Features

- 2018 Volvo Penta D3 230hp diesel repower
 - Only 661 engine hours
 - Excellent diesel fuel economy and extended cruising range
 - Bow thruster – rarely seen on a Mustang 2800

Engine: Volvo Penta D4 Diesel

Power: 230hp

Engine Year: 2018

Engine Hours: 661

Propulsion: Sterndrive

Bow Thruster: Yes

Trim Tabs: Yes

The Mustang 2800 Series II is an excellent entry point into larger boat ownership. There is enough room for the family to spend a weekend aboard without stepping up to the running costs and maintenance of a much larger cruiser.

Whether it is a day on the Broadwater, an overnight at Tipplers or Jumpinpin, or a longer run north towards Moreton Bay, the combination of manageable size, overnight accommodation and diesel economy makes this 2800 an exceptionally versatile package.

With its rare Volvo D4 diesel repower, bow thruster and extensive upgrades, this is not your typical Mustang 2800 Series II and represents an opportunity that would be extremely difficult to replicate.
