Description

2004 Sunrunner 4800 Euro Sports Cruiser (Euro Spec)

Twin Cummins QSM11 660hp Shaft Drive | Dockmate | Extensive Refit | Turnkey Presentation

Luxury Boat Sales QLD is proud to present this exceptional Sunrunner 4800 Euro Sports Cruiser (Euro Spec), a spacious, high-volume Australian-built cruiser that has undergone a comprehensive refit, delivering a rare combination of performance, comfort, and modern upgrades.

Over \$200,000 spent in upgrades!

Renowned for its wide beam, expansive layout, and deep-V hull, the Sunrunner 4800 offers a soft and stable ride in Australian conditions, while the Euro Spec layout provides a seamless single-level entertaining space connecting the cockpit, helm, and galley.Engines & Performance

Powered by the highly regarded twin Cummins QSM11 660hp diesel engines on shaft drives, this vessel delivers strong offshore performance, smooth cruising, and exceptional reliability. Electronic Controls for Smooth Operation.

These engines are widely recognised as a commercial-grade platform, commonly used in heavy-duty applications and known to achieve 8,000 to 12,000 hours when properly maintained. With approximately 850 hours, this is a low-hour example relative to the expected lifespan of this engine package.

Handling is further enhanced with the addition of a Dockmate remote docking system, along with upgraded bow and stern thrusters, allowing for effortless manoeuvring and short-handed docking.Recent Works & Upgrades

This vessel has undergone a significant refit program, with substantial investment across all major systems and presentation.

Key highlights include:

- Full New Garmin electronics Package including MFD Screen, radar, autopilot, and system integration
- Complete hull respray program including preparation, high-build primer, and topcoat
- Antifoul and Prop Speed application to hull and running gear
- New Bow & stern thruster motor and upgraded thruster systems
- New Lenco trim tab system
- New DockMate Wirless Controller for easy Parking (Engines + Bow/Stern Thruster)
- New electric tender lift system
- Replacement air conditioning system including new compressor and components
- Gearbox servicing and component replacement
- New flooring and interior refinishing works
- New Teak Cockpit & Platform
- Extensive electrical, plumbing, and bilge system upgrades
- Recent antifoul, anodes, and hull preparation works completed
- Recent Top Sides Polish & Teak Clean/brighten
- Supporting invoices and documentation are available for inspection.

Onboard Systems

A 12kVA Onan generator provides reliable onboard power, comfortably supporting air conditioning, galley appliances, and extended stays away from shore power.

The vessel has been significantly upgraded with a full Garmin electronics suite, including radar, autopilot, smart pump, and integrated navigation systems, bringing the helm up to modern standards.Entertaining & Galley

Designed for entertaining, the Sunrunner 4800 offers excellent cooking facilities both in the cockpit and below deck.

The cockpit features a Miele Hot Rock grill, ideal for outdoor cooking and entertaining at anchor.

Below deck, the galley is equipped with a Miele oven and three-element cooktop, complemented by a drawer-style fridge and onboard icemaker, providing practical and high-quality meal preparation options.

The open-plan layout creates multiple social zones, making the vessel perfectly suited to entertaining family and guests.Accommodation & Comfort

The accommodation layout is spacious and functional, ideal for extended cruising.

A forward master cabin features a generous island berth and ample storage, while the guest cabin provides comfortable sleeping for additional guests. Two bathrooms enhance onboard practicality for families or couples.

The saloon is bright and open, with excellent headroom and the ability to convert for additional sleeping when required.

Comfort is ensured with three air conditioning units, including a recently upgraded system with new compressor and major components.

Cruising Capability

With its shaft drive diesel platform, onboard generator, and extensive upgrades, this Sunrunner 4800 is exceptionally well suited to coastal cruising.

Whether cruising the Gold Coast, Moreton Bay, or undertaking longer passages, the vessel offers the space, reliability, and onboard systems required for extended time on the water.

Overview

This is not a standard Sunrunner 4800 - this is a Euro Spec, fully upgraded and extensively refitted example that stands apart from the majority of vessels on the market.

With significant recent investment, modern systems, and excellent presentation, this vessel represents a turnkey opportunity for buyers seeking a well-sorted and capable 48ft cruiser.

For further information or to arrange a private inspection, please contact Luxury Boat Sales QLD today. Inspection will not disappoint.

THINKING OF BUYING OR SELLING A BOAT, OR KNOW SOMEONE WHO IS?

Luxury Boat Sales QLD specialises in the sale of high-quality pre-owned vessels, luxury cruisers, and motor yachts across Queensland and beyond.

Our team offers decades of experience in the marine industry and a strong network of qualified buyers and sellers. We work six days a week and by appointment on Sundays to provide flexible, professional service to meet your boating needs.

With premium exposure across leading marine platforms and a strong presence across social media, we ensure your vessel receives the attention it deserves. Whether you’re buying or selling, our experienced brokers make the process smooth, secure, and enjoyable — so all you have to think about is your next destination on the water.
