Description

2005 Bavaria 37 Sport Twin Volvo Penta D6 310HP Diesels | Extensive Recent Upgrades

Luxury Boat Sales QLD is proud to present this extensively upgraded 2005 Bavaria 37 Sport to the market.

Representing an excellent opportunity in the sports-cruiser market, this Bavaria 37 Sport has benefited from significant mechanical, cosmetic and onboard investment under its current ownership. Powered by twin Volvo Penta D6 310HP turbo-diesel engines, she combines strong performance with the spacious accommodation and entertaining layout for which Bavaria's Sport range is well regarded.

Importantly, considerable attention has been directed toward many of the major maintenance items associated with a diesel sterndrive sports cruiser. Both transom shields have been replaced, the trim/tilt system has been renewed, the engines have undergone extensive servicing and inspection, and the vessel has received substantial upgrades throughout.

Externally, the vessel has undergone a full metallic blue two-pack respray, transforming her appearance and giving the boat a fresh, contemporary finish. Below the waterline, the hull has been sandblasted, prepared and re-antifouled, with recent antifoul and Propspeed also completed.

At the heart of the Bavaria are twin Volvo Penta D6 310HP diesel engines, delivering a combined 620HP through Volvo Penta sterndrives.

The engines have been fully serviced, with additional major mechanical work including the engines being removed for inspection and check-over, turbocharger work/rebuilding, and an engine-bay tidy and repaint.

Both transom shields have been replaced, together with new trim/tilt pumps and rams — significant upgrades for a vessel of this configuration.

Supporting service documentation also records previous sterndrive removal, servicing and resealing, drive oil replacement, pressure testing, shift-system work and propeller-related repairs.

This vessel has undergone an impressive list of improvements, including:

- Twin Volvo Penta D6 310HP diesel engines (830 Hours)
- Engines fully serviced
- Engines removed for inspection and mechanical check-over
- Turbocharger rebuild/work completed
- Engine bay cleaned, tidied and repainted
- Two replacement transom shields
- New Engine Mounts
- New trim/tilt pumps and rams
- Sterndrives serviced
- Full metallic blue two-pack hull respray
- Hull sandblasted and re-antifouled
- Recent antifoul and Propspeed
- Zipwake automatic trim system
- Bow thruster
- Updated Garmin touchscreen GPS/chartplotter

-
- New helm switch panel
 - New air-conditioning unit
 - Fischer Panda generator with servicing/work completed
 - Generator fuel pump previously replaced
 - New batteries
 - New 12V battery charger
 - All major pumps and blowers replaced, including bilge, freshwater and waste-water systems
 - SeaDek flooring
 - Upgraded stereo system with amplifier and subwoofer
 - Underwater Lights
 - New internal LED lighting
 - New lighting underneath the bimini
 - Partial new upholstery (Rear Sun Lounge)
 - New forward sun lounge
 - New side hatches
 - New anchor chain
 - New bedding and kitchenware
 - Stainless BBQ
 - Tender
 - 6HP Mercury outboard
 - Snap Davits tender system

The supporting maintenance history further documents substantial expenditure on the Volvo Penta drive systems and associated components, as well as replacement trim equipment and electrical upgrades. Cockpit & Entertaining

The Bavaria 37 Sport offers the open, social layout expected from a premium European sports cruiser.

The spacious cockpit provides plenty of room for entertaining family and friends, with generous seating and easy access to the swim platform. The addition of SeaDek flooring, upgraded upholstery, new lighting and an upgraded stereo system with amplifier and subwoofer has further modernised this area.

A large forward sun pad provides another excellent relaxation area, while underwater lighting adds to the vessel's presentation when entertaining in the evenings.

The included tender and 6HP Mercury outboard, mounted using Snap Davits, provide a practical addition for cruising and weekends away. Accommodation

Below decks, the Bavaria provides comfortable overnight accommodation together with a functional galley, saloon and enclosed bathroom facilities.

Recent upgrades including a new air-conditioning unit, new interior lighting, bedding and kitchenware further enhance the vessel's suitability for extended weekends on the water. Helm & Navigation

The helm has also benefited from modern upgrades, including:

- Updated Garmin touchscreen GPS/chartplotter
- Bow thruster
- Zipwake trim control system

- New switch panel
- Volvo Penta engine instrumentation
- Electric trim control

The bow thruster combined with twin-engine sterndrive manoeuvrability makes marina handling straightforward, while the Zipwake system assists with maintaining an efficient and comfortable running attitude. Generator & Electrical

A Fischer Panda generator provides onboard power away from the marina, with servicing and maintenance carried out during the vessel's ownership history.

Electrical improvements include replacement batteries, battery-charging equipment, upgraded lighting and replacement pumps and blowers throughout the vessel. Vessel Details
