Description

2005 Larson Cabrio 260 - Turn-Key Sports Cruiser with Freshly Rebuilt Engine

For Sale through Luxury Boat Sales QLD

Presenting this beautifully maintained 2005 Larson Cabrio 260, a well-appointed sports cruiser that delivers the perfect combination of performance, comfort and practicality. Whether you're looking for a weekend escape, entertaining family and friends, or enjoying overnight stays on the water, the Cabrio 260 offers an impressive amount of space and features for its size.

A standout feature of this vessel is the freshly rebuilt MerCruiser 350 MAG MPI engine, with less than 5 hours since completion, providing exceptional peace of mind for the next owner. The rebuild has been complemented by new exhaust manifolds and risers, a new transom shield, and a host of additional upgrades, making this an outstanding opportunity to secure a vessel that is ready to be enjoyed immediately.

The cockpit has been tastefully modernised with premium SeaDek flooring, while underwater LED lights create an impressive presence at anchor after dark. A new Garmin multifunction display provides reliable navigation, and the upgraded Fusion sound system complete with amplifier and subwoofer delivers exceptional audio quality whether cruising or entertaining.

Below deck, the Larson features a spacious and functional interior with accommodation for four. The forward dinette quickly converts into a generous double berth, while the private mid-cabin provides a second double berth. A well-equipped galley, enclosed bathroom with electric toilet and holding tank, and comfortable seating make overnight stays both practical and enjoyable.

Having been recently professionally detailed, this Cabrio presents exceptionally well and is ready for its next owner to step aboard and enjoy.
