Description

2005 Sunrunner 2800 Sports Cruiser

MerCruiser 383 Stroker V8 | Only 292 Hours | Side-Power Bow Thruster | Ideal Family Weekender

If you've been looking to step up from a day boat and start enjoying overnight adventures, this 2005 Sunrunner 2800 Sports Cruiser is an excellent place to start. Australian-built and renowned for its generous proportions, the Sunrunner 2800 offers an impressive combination of performance, comfort and practicality, making it the ideal family cruiser for weekends away at Moreton Island, Tipplers Passage or simply relaxing on the Broadwater.

With its generous 3-metre beam, spacious entertaining areas and comfortable overnight accommodation, the Sunrunner delivers the versatility of a much larger cruiser while remaining manageable and easy to enjoy.

One of the standout features of this particular vessel is its remanufactured MerCruiser 383 Stroker V8 long block with just 292 hours since installation. This desirable engine package offers impressive V8 performance and is complemented by a Side-Power bow thruster, making close-quarters manoeuvring and marina berthing considerably easier. Bennett trim tabs provide additional control and stability underway, ensuring a comfortable cruising experience.

The spacious cockpit is designed with entertaining and relaxed days on the water in mind, providing plenty of room for family and friends to sit back and enjoy their surroundings. Whether you're cruising the Broadwater, anchored off South Stradbroke Island or spending a weekend exploring Moreton Bay, the Sunrunner's practical layout makes every outing enjoyable.

Below deck, the impressive beam becomes immediately apparent, creating a surprisingly spacious and comfortable interior. The accommodation features a forward dinette that converts into a double berth, together with a separate aft double berth, comfortably sleeping up to four guests. This versatile arrangement makes the Sunrunner particularly appealing to families looking to enjoy their first overnight boating adventures.

The well-equipped galley includes a refrigerator, stove and sink, providing everything needed for preparing meals during extended stays aboard. A separate enclosed bathroom with marine toilet and shower adds to the vessel's practicality, while the onboard freshwater system makes weekends away comfortable and convenient.

At the stern, the integrated swim platform provides easy access to the water and features a hot and cold freshwater deck shower, perfect for rinsing off after a swim or a day exploring the islands. Completing the package is a soft-bottom inflatable tender, ideal for accessing beaches and sheltered anchorages.

Navigation is handled by a Navman Trackfish 6600 GPS/chartplotter and fishfinder, providing useful navigation and depth information when exploring local waterways.

With its Australian-built construction, impressive onboard volume, low-hour remanufactured MerCruiser 383 V8 and desirable handling upgrades, this Sunrunner 2800 presents an excellent opportunity for buyers seeking a capable and comfortable family cruiser without stepping into a significantly larger vessel.Key Features & Highlights
