Description

For Sale – 2006 Crownline CR 250

Luxury Boat Sales QLD is proud to present this well-maintained 2006 Crownline CR 250, a versatile sports cruiser offering an excellent balance of comfort, performance and practicality.

This vessel has recently benefited from over \$34,000 in documented mechanical, electronics and fire-safety upgrades, headlined by a new MerCruiser 6.2L 300/350HP (Bravo) engine supplied and installed in July 2026. The installation included removal of the existing engine and stern drive, preparation of the bilge, installation and alignment of the new engine, complete rigging, refitting of the drive and a sea trial following completion. Key Features & Recent Upgrades

- New MerCruiser 6.2L 300/350HP (Bravo) Engine – July 2026 – professionally installed, aligned and rigged, with the stern drive refitted and vessel sea-trialled following installation. The engine and installation represented \$28,518 of documented work.
- New Garmin GPSMAP 753xsv 7" GPS/Fishfinder – supplied and professionally installed in August 2026, replacing the previous GPS.
- New GME GX700 VHF Marine Radio – installed alongside the Garmin system with a new flush mount. The electronics upgrade totalled \$3,133.
- Fire Suppression & Safety Upgrade – September 2026 – new fire-suppression cylinder supplied and installed, system tested and new fire extinguishers inspected by K2 Marine & Fire Safety.
- K2 Marine & Fire Safety Certificate of Inspection – covering the vessel's gaseous fire-suppression system and portable fire extinguishers, with a Seafire FM200 system and 3.9kg cylinder protecting the engine bay.
- Good-condition clears and covers – well cared for and practical.
- Black gelcoat hull – presents in great condition.
- Tender + 5HP Suzuki Outboard – included in the package.
- Marine sound system + flat-screen TV – onboard entertainment covered.
- Comfortable overnight accommodation for 4-6 people, including a double midship berth, convertible forward V-berth and rear lounge/sunlounge.
- Well-equipped galley – microwave, stove and fridge.
- Enclosed toilet & shower – providing privacy and convenience onboard.

Turn-Key Sports Cruiser with Major Recent Investment

A major advantage of this Crownline CR 250 is the significant recent investment made in the vessel. Across the documented invoices, \$34,236 has recently been spent on the new MerCruiser engine and installation, upgraded Garmin/GME electronics and fire-safety equipment.

With the major mechanical upgrade already completed, modernised navigation and communications equipment, updated fire-suppression equipment and a practical family-friendly layout, this Crownline presents as an excellent option for buyers looking for a capable sports cruiser without immediately facing the expense of these major upgrades.

Whether you're looking for weekends away, entertaining family and friends or simply enjoying the waterways, this 2006 Crownline CR 250 deserves an inspection.
