Description

2006 Larson 330 Cabrio | Only 300 Hours | Generator | Air Conditioning | Outstanding Original Condition

Luxury Boat Sales QLD is proud to present this exceptionally well-maintained 2006 Larson 330 Cabrio.

Showing just 300 genuine engine hours, this impressive American-built sports cruiser presents in outstanding original condition and offers an exceptional opportunity to secure one of the cleanest examples of this sought-after model.

The Larson 330 Cabrio was designed as a true family cruiser, offering an enormous amount of internal volume thanks to its generous 3.51-metre beam. With a spacious cockpit, quality accommodation and practical layout, it feels considerably larger than many other boats in the 33-foot class.

Built on Larson's renowned Duo Delta Conic hull, the 330 Cabrio delivers a soft, predictable ride with excellent handling characteristics, making it equally suited to relaxed weekends on the Broadwater or extended coastal cruising.

Powered by twin MerCruiser petrol engines paired with Bravo II sterndrives, this vessel has seen very light use throughout its life and is equipped with trim tabs for optimum performance and handling. An onboard generator supplies power to the reverse-cycle air conditioning, allowing comfortable overnight stays whether at anchor or in the marina.

The cabin presents beautifully in its original finish with quality timber cabinetry throughout. Accommodation includes a generous forward island berth, spacious mid-cabin double, convertible dinette, fully equipped galley and enclosed bathroom, comfortably sleeping up to six people.

The current owner has recently fitted new front clears, complementing what is already an exceptionally original and well-presented vessel.

Whether you're looking for a family weekender, holiday cruiser or entertainer, the Larson 330 Cabrio offers outstanding value with the quality, space and comfort to enjoy for many years to come.

Features Include

- Twin MerCruiser petrol engines
- Bravo II sterndrives
- Only 300 genuine engine hours
- Trim tabs
- Onboard generator
- Reverse-cycle air conditioning
- Garmin GPS/Sounder
