Description

2009 REGAL 4080 FLYBRIDGE SEDAN Twin Petrol Power | Volvo Penta IPS Joystick | Rebuilt Engines | Exceptional Presentation

Luxury Boat Sales QLD is proud to present this beautifully maintained 2009 Regal 4080 Flybridge Sedan to the market.

Combining contemporary styling, generous accommodation and the effortless handling of Volvo Penta IPS with joystick docking, the Regal 4080 is an exceptionally capable family cruiser with the space and features normally associated with considerably larger vessels.

This particular example stands out through its recently rebuilt big-block petrol engines, brand-new premium clears and covers, comprehensive equipment package and impressive overall presentation.

Offering two private cabins, accommodation for up to eight, dual-zone air conditioning, Kohler generator, spacious saloon and galley, generous cockpit and flybridge entertaining areas, this Regal is ideally suited to extended weekends, coastal cruising or entertaining family and friends.KEY FEATURES

- Twin recently rebuilt big-block petrol engines
 - Volvo Penta IPS pod drives
 - IPS joystick docking system
 - Brand-new premium clears and covers
 - 7.3kW Kohler petrol generator with sound shield
 - Dual-zone reverse-cycle air conditioning
 - Raymarine GPS/chartplotter
 - Raymarine VHF radio
 - Two-cabin accommodation
 - Forward island queen master berth
 - Convertible twin/queen guest cabin
 - Accommodation for approximately 6-8
 - Spacious single-level saloon and galley
 - Corian galley benchtops
 - Large refrigerator/freezer
 - Cockpit beverage fridge
 - Saloon ice maker
 - Yamaha entertainment system
 - Flat-screen television
 - Electric anchor windlass
 - Stainless steel anchor with all-chain rode
 - Large swim platform
 - Hot and cold transom shower
 - Central vacuum system
 - Excellent engine-room access
 - Beautifully presented throughout
- MECHANICAL & IPS DRIVE SYSTEM

One of the standout features of this Regal 4080 is its recently rebuilt big-block marine engines, providing the next owner with the benefit of substantial mechanical work already completed.

Power is delivered through the Volvo Penta IPS pod-drive system, offering excellent manoeuvrability and the convenience of joystick control for close-quarters operation.

The IPS joystick docking system transforms marina handling, allowing intuitive control when moving sideways, rotating the vessel or positioning her into a berth.

Regal has also taken advantage of the IPS installation to create excellent service access. With the drives positioned aft, there is generous walk-around access to the front and sides of both engines.

Engine-room access is through a large gas-strut-assisted cockpit hatch with a removable central walkway, making routine inspection and servicing considerably easier.FLYBRIDGE & HELM

The flybridge provides an excellent elevated position for both cruising and entertaining, with commanding visibility around the vessel.

Navigation and communication equipment includes:

- Raymarine GPS/chartplotter
- Raymarine VHF marine radio
- Volvo Penta IPS controls

- IPS joystick docking
- Comprehensive engine instrumentation

The brand-new premium clears and covers further enhance the flybridge, providing excellent protection from the elements and presenting beautifully.**SALOON & ENTERTAINING**

Stepping inside, the 4080 immediately demonstrates why Regal's sedan-style flybridge cruisers remain so popular.

The main saloon is light, spacious and designed around comfortable entertaining. The galley is positioned on the same level, creating an open-plan living area without the separation often found in more traditional flybridge designs.

Entertainment equipment includes a flat-screen television and premium Yamaha sound system, while reverse-cycle air conditioning provides year-round comfort.

Additional conveniences include a dedicated saloon ice maker and central vacuum system.**GALLEY**

The port-side galley is practical, well equipped and integrated directly into the main living area.

Features include:

- Corian benchtops
- Recessed two-burner electric cooktop
- Eye-level microwave
- Large 7.4 cu. ft. refrigerator/freezer
- Custom overhead cabinetry
- Pull-out pantry
- Generous in-floor storage
- Excellent preparation and storage space

The combination of substantial refrigeration and storage makes the 4080 particularly well suited to extended weekends and longer stays aboard.**TWO-CABIN ACCOMMODATION**

Below decks, the Regal offers an impressive two-cabin accommodation layout, with additional sleeping available through the convertible saloon.**Forward Master Stateroom**

The master cabin features a large elevated island queen berth, allowing easy access from either side and providing generous storage beneath.**Midship Guest Cabin**

The second cabin features twin single berths that can be converted into a queen, providing flexibility for couples, children or visiting guests.

Together with the convertible saloon, the vessel can comfortably accommodate approximately six to eight guests, depending on configuration.**BATHROOM & SHOWER**

The split bathroom arrangement is particularly practical aboard a vessel designed for multiple overnight guests.

An enclosed shower compartment is positioned to port, while the separate vanity and marine toilet are located to starboard. This arrangement allows different facilities to be used simultaneously and keeps the shower separate from the remainder of the bathroom.**GENERATOR, ELECTRICAL & CLIMATE CONTROL**

The vessel is well equipped for extended time away from shore power.

A 7.3kW Kohler petrol generator, housed within a dedicated sound shield, provides onboard AC power while cruising or at anchor.

Additional systems include:

- Dual 30-amp shore-power connections
- Automatic marine battery charging system
- Isolated heavy-duty battery banks
- Dual-zone reverse-cycle air conditioning
- Central vacuum system
- Comprehensive 12V and 240V onboard systems

Separate air-conditioning zones service the main saloon and accommodation areas for comfortable year-round boating.**COCKPIT & SWIM PLATFORM**

The large self-draining cockpit provides another versatile entertaining area and connects directly with the oversized aft swim platform.

Features include:

- Cockpit beverage refrigerator
- Heavy-duty transom gate
- Large swim platform
- Recessed telescopic swim ladder
- Hot and cold transom shower
- Easy engine-room access

The open layout creates an excellent transition between the saloon, cockpit and water.**DECK & ANCHORING EQUIPMENT**

Wide side decks, substantial stainless steel rails and heavy-duty cleats provide safe movement around the vessel.

- Ground tackle includes:
- Electric anchor windlass
 - Bow-mounted foot controls
 - Remote helm windlass control
 - Stainless steel anchor
 - All-chain rode
 - Moulded bow pulpit
 - Deep self-draining anchor lockers
 - Bow freshwater washdown

The full-length welded stainless steel bow rails extend aft toward the cockpit, providing additional security when moving forward.**AN IMPRESSIVE FLYBRIDGE CRUISER**

The 2009 Regal 4080 Flybridge Sedan delivers an impressive combination of accommodation, entertaining space, performance and manoeuvrability in a manageable package.

What particularly sets this vessel apart is the combination of recently rebuilt engines, Volvo Penta IPS joystick control, brand-new clears and covers, generator, dual-zone air conditioning and excellent overall presentation.

For buyers looking for a spacious family cruiser with genuine overnight capability and easy marina handling, this Regal 4080 deserves serious consideration.
