Description

2012 WHITTLEY CR 2800 DIESEL – ULTIMATE TRAILERABLE CRUISER

LOW-HOUR VOLVO PENTA D4 DIESEL PERFORMANCE

Powered by the highly desirable, premium Volvo Penta D4-260 common-rail diesel stern drive with an incredibly low 306 original hours. This heavy-duty, 3.7-litre engine delivers immense torque to get the boat on the plane effortlessly while offering exceptional reliability and fuel efficiency. It is heavily maintained, fully broken in, and ready for long-range cruising on its standard 210-litre fuel capacity without the high fuel burn of a traditional petrol V8.

LUXURY OVERNIGHT ACCOMMODATION & WEEKENDER AMENITIES

Experience ultimate comfort on the water with a high-volume cabin legally rated for an 8-person carrying capacity. The spacious forward V-berth converts from a plush lounge into a large double bed for two adults, complemented by a private mid-cabin double berth perfect for kids or guests. Enjoy the convenience of a full-height enclosed head featuring a marine toilet, holding tank, vanity, and hot water shower. The fully equipped portside galley includes a 12V front-opening fridge, a twin-burner alcohol cooktop, and a stainless steel sink. For climate comfort, a large overhead hatch and opening portholes offer complete cross-ventilation with integrated flyscreens.

PREMIUM APPLIANCES, ENTERTAINMENT & DIGITAL SYSTEMS

Control everything effortlessly with a modern dash-integrated digital switching system. Enjoy complete energy independence via a roof-mounted solar setup that trickles power to the house batteries, running the 12V fridge, lighting, and appliances 24/7 without a noisy generator. Onboard entertainment is fully covered by a cabin-mounted flat-screen TV and a premium full marine sound system with weather-resistant cockpit speakers.

PREMIUM DECK GEAR & OUTDOOR LIVING

Anchoring is effortless with a helm-controlled electric winch, self-launching stainless steel bow roller, plough anchor, galvanized chain, and braided nylon rope. The fiberglass hardtop includes built-in roof racks, an expansive sliding electric sunroof, and full camper clears. A massive extended swim platform features heavy-duty stainless steel safety rails, a boarding ladder, rod holders, a mounted marine BBQ, and a custom bait board, alongside an additional hot/cold deck shower for rinsing off after a swim.

ADVANCED ELECTRONICS & NAVIGATION

The dash features a modern digital switching system to control all onboard gear, alongside a large color GPS chartplotter and fishfinder combo for easy navigation. Safety and communication are covered by a marine VHF radio, digital engine monitoring gauges, dual battery switches with an emergency parallel system, and an automatic bilge pump system
