Description

2023 Island Gypsy 650 Motor Yacht As-New Condition | 153 Engine Hours | Twin Gyro Stabilizers

Luxury Boat Sales QLD is proud to present this exceptional 2023 Island Gypsy 650 Motor Yacht, a rare opportunity to secure a near-new luxury cruiser without the lengthy new-build wait times.

With only 153 original engine hours, this beautifully maintained vessel presents in outstanding condition and offers the perfect combination of long-range cruising capability, effortless owner operation, and luxurious single-level living. Designed for discerning boaters who appreciate comfort, quality craftsmanship, and practical functionality, the Island Gypsy 650 delivers an exceptional on-water experience whether cruising the coastline, entertaining family and friends, or embarking on extended voyages. **Powerful & Reliable Performance**

Powered by twin Cummins QSM11 715HP shaft-drive diesel engines coupled to heavy-duty ZF gearboxes, the Island Gypsy 650 delivers smooth, dependable performance with cruising comfort and a top speed of approximately 22 knots.

For ultimate offshore capability and redundancy, the vessel is equipped with dual Onan generators (17.5kW and 8kW), ensuring complete independence while cruising. Twin Quick X19 gyro stabilizers provide exceptional stability both underway and at anchor, dramatically reducing roll and enhancing onboard comfort.

The spacious engine room has been thoughtfully designed for owner operation, offering excellent access to all major systems, filters, pumps, and sea strainers for straightforward servicing and maintenance. **Premium Garmin Navigation Suite**

The single-level helm station is equipped with a comprehensive Garmin navigation package, including:

- Dual Garmin 16" 8416xsv touchscreen multifunction displays
- Garmin GPS 24xd NMEA 2000 positioning system
- Garmin GMR Fantom 18x Radar
- Garmin Panoptix PS51 Forward-Looking Sonar
- AIRMAR B60 Through-Hull Transducer
- Garmin VHF 215i Marine Radio with DSC
- Digital Autopilot System
- Hydraulic Steering
- Bow & Stern Thruster Controls

Whether navigating coastal waters or undertaking extended passages, this advanced electronics package provides exceptional confidence and situational awareness. **Gourmet Galley & Entertaining**

Designed around effortless entertaining, the expansive U-shaped galley is positioned on the main deck and features premium stone benchtops, extensive storage and a full suite of quality domestic appliances, including:

- Fisher & Paykel 569L Fridge/Freezer
- Bosch Convection Oven
- Induction Cooktop
- LG NeoChef Microwave

The single-level layout allows seamless interaction between the galley, saloon and cockpit, making entertaining guests easy and enjoyable. **Luxurious Accommodation**

Accommodation is provided for up to six guests across three beautifully appointed cabins, featuring:

- Full-beam Master Stateroom
- Forward VIP Guest Cabin
- Twin Guest Cabin
- Two Spacious Bathrooms
- Two Electric Freshwater Flush Toilets
- Three Showers (Including Hot/Cold Cockpit Shower)

A reverse-cycle multi-zone air conditioning system ensures year-round comfort throughout the vessel. **Entertainment & Comfort**

The vessel is fitted with a premium entertainment package including:

- Multi-Zone Fusion Bluetooth Audio System
- Smart TV in Saloon
- Smart TV in Master Cabin
- Comprehensive Climate Control Throughout

Every aspect of the interior has been designed to provide the comfort and feel of a luxury waterfront apartment. **Exceptional Outdoor Living**

The Island Gypsy 650 offers outstanding outdoor entertaining spaces, including:

- Hydraulic Teak-Laid Swim Platform
- Cockpit Wet Bar
- Electric BBQ
- Cockpit Drinks Fridge
- Spacious Foredeck Sun Lounge
- Wide Walkaround Side Decks with Deep Bulwarks
- Full Rear Cockpit Enclosure
- Custom Breezeway Mesh Screens
- Protective Covers for External Seating Areas

The substantial foredeck and cockpit spaces create the perfect environment for relaxing, entertaining, or enjoying extended time on the water. **Ground Tackle & Systems**

Anchoring is made simple with a premium Maxwell 24V electric anchor winch paired with a 45kg Ultra Marine stainless steel anchor and 100 metres of 10mm chain, controllable from both helm stations and the foredeck.

The vessel's electrical systems are managed by a Victron Energy battery management system featuring a 3000W inverter/charger and comprehensive battery bank configuration, providing reliable power management for extended cruising.

Safety systems include:
