Description

2024 Arvor 705 Sportsfish For Sale

Luxury Boat Sales QLD is proud to present this outstanding 2024 Arvor 705 Sportsfish, a near-new offshore fishing and cruising package that combines exceptional offshore performance, modern technology and everyday practicality.

Built for serious anglers while offering the comfort and protection of an enclosed wheelhouse, the Arvor 705 Sportsfish has become one of the most respected trailerable fishing boats in its class. This particular vessel has been optioned with an impressive list of factory upgrades including Mercury Digital Throttle & Shift (DTS), Active Trim, bow thruster, SmartCraft engine integration and premium Simrad electronics, making it an exceptional example of the model.

Powered by a Mercury 225HP V6 FourStroke with just 45 hours, and complete with a near-new Australian-made galvanised trailer, this is a genuine turn-key package ready to enjoy immediately.Vessel Overview

The Arvor 705 Sportsfish has been purpose-built for Australian boating conditions, combining a proven deep-V hull with an enclosed pilothouse and generous self-draining cockpit to create a versatile platform equally suited to offshore fishing and family cruising.

Wide walkaround side decks provide safe access to the bow, while the spacious cockpit offers ample room for fishing, entertaining or relaxing at anchor. The enclosed wheelhouse provides excellent protection from the weather, making boating comfortable throughout the year. Accommodation

Comfortable overnight accommodation is provided by a V-berth cabin, complemented by a marine toilet, excellent storage and large cabin windows that create a bright, practical living space.Galley

The compact galley features a refrigerator, freshwater sink and practical storage, providing everything required for comfortable weekends aboard.Cockpit

Designed with both fishing and family boating in mind, the spacious cockpit offers an excellent working area without compromising comfort.

Features include:

-

Live bait tank

-

Insulated kill tank

-

Fold-away cockpit seating

-

Self-draining cockpit

-

Wide walkaround decks

-

Excellent storage

-

Easy access to the swim platform

Helm & Electronics

The modern helm combines Mercury's latest digital technology with a premium Simrad navigation system to deliver a clean, intuitive and highly functional driving experience.

Features include:

-

Simrad multifunction display

-

Mercury SmartCraft engine integration

-

Mercury Digital Throttle & Shift (DTS)

-

Mercury Active Trim

-

Fusion premium sound system

-

Fusion audio integrated into Simrad display

-

Bow thruster

-

Electric anchor winch

The SmartCraft system displays live engine data directly through the Simrad screen, while the Fusion stereo can also be controlled from the display, reducing clutter at the helm and placing essential information in one convenient location.Mechanical

Powered by a Mercury 225HP V6 FourStroke with approximately 45 engine hours, the Arvor delivers strong performance, excellent fuel economy and the smooth operation expected from Mercury's latest generation of outboards.

Hydraulic steering, Mercury DTS controls and Active Trim combine to provide effortless handling both underway and around the marina.Trailer

Included in the sale is a near-new Australian-made galvanised trailer, completing a versatile package that's easy to launch, retrieve and transport.Technical Specifications
